WordPress React Express NodeJS SQL Mongo DB RESTful

WORK EXPERIENCE

Software Engineer Apprentice

Intuit

03/2021 - Present

Mountain View, CA

Achievements/Tasks

- Developed a proof of concept targeted at improving a frustrating user experience by Quick Books accountants while using the Intuit Expert Portal. Learned React.js, Node.js, and GraphQL on the go for this project.
- Used Scrum Agile Methodology in my work (Daily Scrum Meeting, Sprint Planning, Sprint Backlog, 1on1 meetings)
- Utilized customer empathy and customer obsession to understand how customers are using specific features and capabilities
- Contributed to Open Source Day at Grace Hopper Celebration. Intuit VS Code plugin for accessibility

Front End Developer Intern

Marcus Thomas LLC

06/2019 - 08/2019

Cleveland, Ohio

Achievements/Tasks

- Developed a responsive website using HTML, Javascript, CSS and design files created by the Art department
- Built parallax scrolling effect using magicscroll.io
- Mocked up internal web page for recruiting future interns using Sketch, Photoshop, and Illustrator
- Participated in WordCamp and built a WordPress site for non-profit organization

Freelance Graphic Designer

Fuzzy Hair Graphics LLC

01/2013 - 01/2021

Cleveland, Ohio

Achievements/Tasks

- Developed marketing programs (logos, brochures, newsletters, infographics, presentations, and advertisements) and guaranteed that they exceeded the expectations of my clients.
- Recommended and consulted with clients on the most appropriate graphic design options based on their overall marketing goals.
- Created screen prints and vinyl application for full color garments.

Fine Art Instructor

Cleveland College Preparatory School

08/2018 - 05/2019

Slavic Village, Ohio

Achievements/Tasks

- Created lesson plans to develop skills of students that were relevant to Fine Art and Art History.
- Maintained good classroom management and kept students engaged in lessons.
- Developed a dynamic, creative environment that nurtured the conducive learning of assigned students.
- Worked with a variety of artistic concepts, materials, tools and media.

WORK EXPERIENCE

Spanish Instructor

Viva Spanish Language Programs

08/2016 - 06/2017

Cleveland, Ohio

Achievements/Tasks

- Created lesson plans to develop skills of students that are relevant to Spanish language and are carried out as per the designed course curriculum.
- Demonstrated classroom management skills.
- Developed alternative assessments, communicative activities, and games.
- Evaluated and communicated student progress.

Master Teaching Artist

ArtWorks

01/2016 - 04/2016

Shaker Heights, Ohio

Achievements/Tasks

- Created initial proposals, weekly work-plans, and participated in planning sessions to create arts-based job-training curriculum.
- Designed projects that allow apprentices to develop 21st century skills such as critical thinking, problem solving, time management, professional communication.
- Implemented a ten week course Intro to graphic design principles through T-shirt design using Adobe Creative Suite.

Graphic Designer

OMG LLC

01/2013 - 07/2013

Cleveland, Ohio

Achievements/Tasks

- Developed graphics and visual images for product illustrations, logos, and websites using Adobe Creative Suite.
- Created graphics by hand or using computer software packages.
- Lead a team of two where we increased customer business by 75%.

PERSONAL PROJECTS

Eat Da Burger (06/2020 - 07/2020)

- This is a redesign of a burger logger with MySQL, Node, Express, Handlebars and a homemade ORM. Following the MVC design pattern using Node and MySQL to query and route data in the app and Handlebars to generate HTML
- Created the UI using Adobe XD
- Learned about the interaction between the model, view and controller and how to configure Heroku for deployment of an application using My SQL
